projects

[miradoreonline](#)

- my personal MDM Playground. Miradore Online provides a free / low cost MDM option.
 - I manage my families devices here and do early design work for consultations.
-

[createdevspace.com](#)

- createDEVspace is just a name I made up because I like to create and develop and i needed space to put ideas like that.
 - Eventually, I will put something here...
-

[momheadart.com](#)

- momheadart.com is my wife's website. she is a mixed media artist and photographer.
 - She has handmade original works available for sale...
-

[arttechacadamy.org](#)

- arttech academy is the 'school' that our kids attend.
- we practics "Whole Life Radical Un-Schooling", but need to have an official school name to meet state and federal requirements.
